

CALLING STUDENT MISSIONARIES FOR REFUGEE MINISTRIES!

"Each of you should use whatever gift
you have received to serve others, as
faithful stewards of God's grace
in its various forms."

1 Peter 4:10

WHAT WE DO

PROVIDING HELP FOR REFUGEES IN NEED

- Our mission is to meet the deepest felt needs of our refugee families who have relocated from various parts of the world, to Clarkston, GA.
- We are seeking to help these families with their struggles by sharing the love of Christ and helping with their practical needs. One need we specifically focus on is providing these students with a quality Adventist Education. We currently have 92 students enrolled in SDA schools!
- Student Missionaries who join our team via Adventist Volunteers will experience a new and unique encounter with families and children. They will be able to provide tutoring, Bible studies, governmental assistance, help manage/coordinate donations, and help give presentations to raise awareness for the program.
